PHOENIX COLLEGE

Cost per Test & Number of Tests per Week

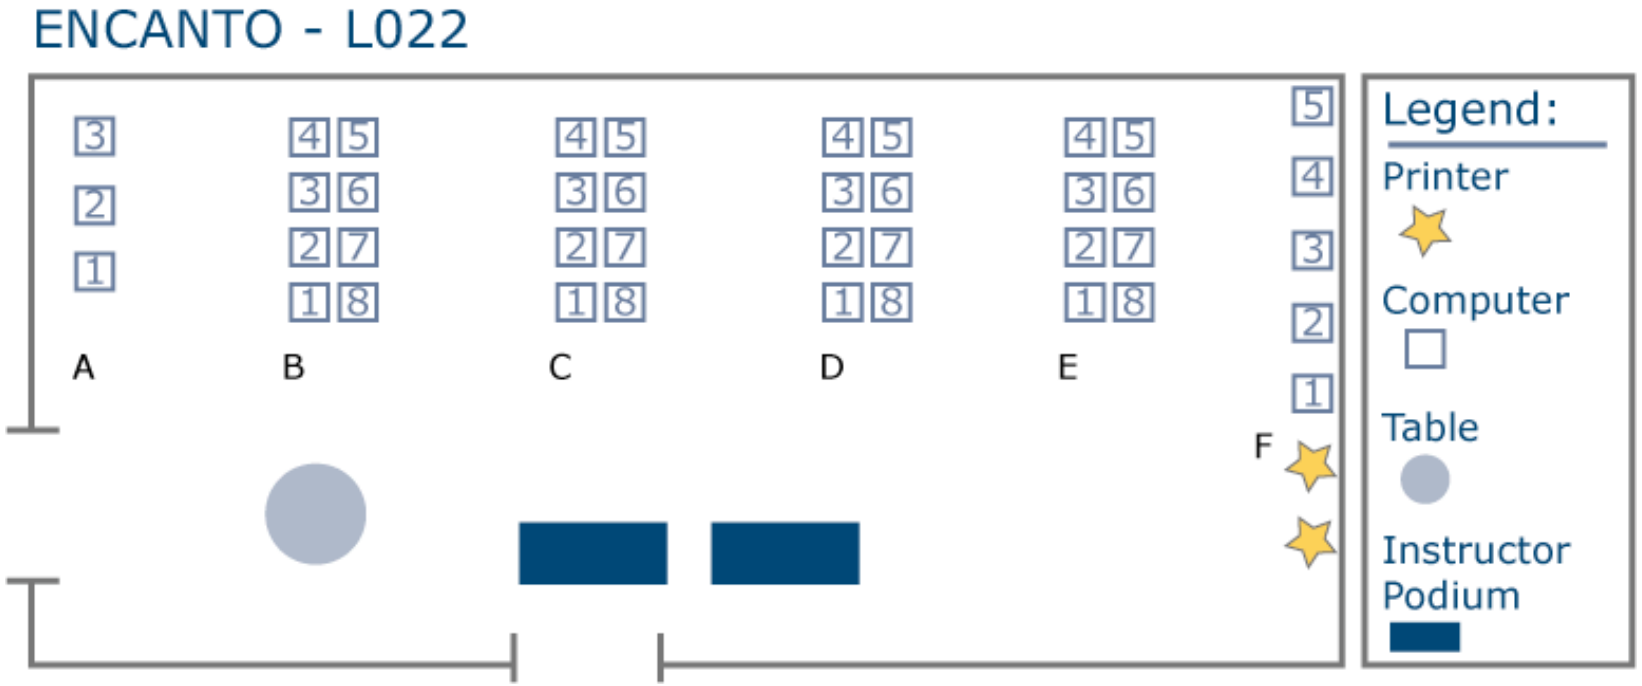

PHOENIX COLLEGE

Distribution of Tests by Day

Testing Center Facts

- One lab with 40 computers was dedicated to testing 29 hours a week.
- Average utilization of the computers for testing was 9.18%

PHOENIX COLLEGE

Proposed Testing Center Changes

- All regular quizzes must end prior to the week of finals
- Encourage faculty to provide incentives for students to take quiz earlier
- Research the possibility of reducing the most non-productive testing hours
